

English

This term our talk for writing focus for non-fiction will be based upon a story called The Cobbler of Krakow and Smoke the dragon with a main focus on character description. Our non-fiction focus will be instruction writing and linked to our science topic on plants. We will also continue to follow the SPAG curriculum.

Mathematics

This term Year 4 will continue with their arithmetical skills of addition, subtraction, multiplication and division. They will also revise time, Roman numerals, 3D shapes, measure, mental reasoning and problem solving skills.

Science

Our focus in Science this term will be on understanding the life cycle of plants. We will learn about the different parts of the plant, photosynthesis and why they are an important part of our environment. In the second half of the term we will look at forces and magnets.

Topic

Our main topic this term will be to explore the Ancient Greeks. We will be focussing on civilisation, warfare, myths, legends, culture, the creation of the Olympics.

We will be exploring the life and culture of India. The children will participate in a range of activities including dancing and sampling some traditional India food.

Year 4 Summer Term

Spanish

This term we will be learning how to talk about our birthdays and families as well as learning to cook Paella.

RE & British Values

Children will follow the curriculum guidelines for RE and linking specific values in line with our topics. This will include looking at Hinduism in Britain.

Music

The children will learn to appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians- (using BBC ten pieces play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy,

Art and Design

The children will have an opportunity to draw and design an Ancient Greek pot using specific designs. During our India topic children will make a candle holder to celebrate the Indian festival Diwali.

Physical Education

In P.E we will continue to improve our levels of fitness. Our main focus for the term will be Cricket, rounders' and athletics in preparation for sports day and federation sporting events.

Computing

The children will continue to develop their knowledge and understanding of computing and apply in other curriculum subjects.
