

English

This term our narrative focus will be on Science Fiction and we will be writing about an alien landing.
In non-fiction we will look at a range of text types in keeping of the theme of Science Fiction.

Mathematics

In Maths we will continue to develop our fluency of calculations, comparing measurements including time and develop our problem solving skills including 2 step problems.

Science

In Science we are studying reversible and irreversible changes. We will create our own investigations to research and answer a range of scientific questions.

History

This term we will be looking at the local history of Hereford. Our objective is to create a historical article for a local history magazine. The children will interview local people and research written artefacts.

Year 5

Summer Plan 2017

Geography

We will be focussing on the country of Japan; its geographical location, climate, people and daily life.

Languages (MFL)

This term we will be learning about how to describe our family as well as replying to the letters we received from students at Whitecross High School.

Computing

The children will be planning coding & debugging their own 'treasure hunt' style game using the Tickle app. They will also be writing blogs and continuing to use the internet safely.

Physical Education

In PE we will be learning and applying skills in rounders, cricket, athletics and tennis.

ART

The children will recreate the work of Hokusai, a Japanese artist.

DT

We will focus on local food and put together a project to produce a variety of our own food.

R.E.

We will be comparing places of worship and looking at peace symbols.

P.S.H.E.

We will continue to follow the school's values curriculum including elements of philosophy for children.

Music

In music we will be looking at "Don't Stop Believing" and play instrumental parts within the song.

Enrichment Activities

Children in Year 5 will have the opportunity to attend an afterschool rounders, athletics and cricket club. A group will take part in a River Song that will be performed at the River Carnival. A summer music week will bring creative experiences.
