

Happy Arctic Poem

Happy as a polar bear
fishing on an icy rock
happy as an arctic hare
happy as a snowflake.

Happy as a dolphin
having a morning snack
happy as an arctic fox
hunting down a track.

Happy as a narwhale
happy as an arctic owl
happy as an explorer
drying off with a towel.

Happy as a snowflake
happy as a little fish
happy as walrus
having a yummy dish.

Happy as a memory
shared by two

happy as me...

when I'm with you.
