

**Year 5**  
**Home Learning 2**

Here are some topics which you can work from at home. All work can be recorded in a way you choose.

English	Maths	Physical	Science	Creative
Imagine you are in Ancient Greece. Write about a day in the life of a child.	Practise your multiplication on TT Rockstars.	Design a ball game for up to six children.	Create a fact file about a planet of your choice.	Make a musical instrument out of junk modelling.
Carry out a research project about the different Greek Gods.	Design a game to develop multiplication and related division facts.	Get help from someone at home, to practise catching and throwing a ball. How many times can you do this, without dropping it?	Make up your own Earth and Space word search.	Create an Easter story map.
Write a newspaper report about the Ancient Greek Games.	Write a times table song using a familiar tune, e.g. sing along to a pop song.	Make up a Greek dance to perform during a P.E lesson.	Research about the first mission to the Moon. What was it like? How is it different to Earth?	Design and make a 3D model of the Trojan horse.
Write a poem about the Greek Gods.	Draw a conversion poster to show fractions, decimals and percentages.	Make up a set of rules for a new Ancient Greek sporting event.	Work out a way to remember the names of all the planets in our solar system, in order from the sun.	Sketch or paint an Ancient Greek style pot or vase.
