

HMFA SCHEME OF DELEGATION

Introduction

- a. This scheme of delegation has been developed to clarify the responsibilities and powers of Directors, Local Advisory Body and staff employed by HMFA in respect of key aspects of the management of the Trust and its Academies, and to ensure compliance with legal requirements.
- b. It sits alongside the HMFA Financial Regulations Manual and Policy which covers all financial delegation and the suite of policies through which the HMFA operates.
- c. The delegations set out in this scheme are delegated to the specific committees and any individuals unless otherwise directed or agreed by the Board of Directors.
- d. Delegations cannot be exercised other than by the designated committee or individual unless otherwise directed or agreed by the Board.
- e. The Chair, or in the absence of the Chair, Vice-Chair has power to carry out functions of the Board or Local Advisory Body in extreme circumstances where a delay in exercising a function is likely to be seriously detrimental to the interests of the Trust, a pupil at the Academies or their parents, or a person who works at the Academies. However, this power does not include matters relating to the alteration and closure of one of the Academies, a change of Academy category, approval of budget, discipline policies and admissions.
- f. In the absence or incapacity of the Headteacher, the delegations to the Headteacher stand delegated to the Heads of School or nominated senior person unless otherwise directed or agreed by the Board of Directors.
- g. Instead of exercising their delegated powers a post holder or a committee may refer the matter to the appropriate committee or Advisory Body.
- h. For the avoidance of doubt, the Board may, at its discretion, exercise any of the powers delegated by this scheme to a committee or post holder.

Governance Framework

HMFA is a legal entity accountable for all the Academies within the MAT (Multi Academy Trust). There is one set of Articles which govern all the Academies in that Trust. HMFA has a Master Funding Agreement with the Secretary of State and each Academy also has a Supplemental Funding Agreement.

The HMFA is a charitable company and is responsible for the strategic direction of the Academies and has 2 layers of governance: The Members of the Trust and the Board of Directors.

Members

- a. The Members are akin to shareholders and have ultimate control over the direction of the HMFA. They ensure the charitable company achieves its objectives, sign off the financial accounts and annual report, and appoint some of the Directors.

Directors

- a. The Directors, appointed by the Members, have delegated responsibility for the 3 core strategic functions (strategic direction, holding the Headteachers to account for educational performance and overseeing the financial performance of the Academies).
- b. A Director is in effect an Academy Adviser, a Company Director and a Charity Trustee and they must also ensure compliance with Charity and Company Law and the Academy Trust's Funding Agreement.
- c. The Board of Directors can delegate to any Committee, Adviser, Headteacher or any other holder of an executive office, any of its powers or functions, subject to any prescribed restrictions imposed by them and management of conflicts of interest.

The Board can establish any committee; and the constitution, membership and proceedings of any committee is decided by the Directors. The establishment, terms of reference, constitution and membership of any committee must be reviewed annually.

Local Advisory Bodies

- a. Local Advisory Bodies are committees of the Trust's Board. Their members are not trustees or directors of the Academy Trust - unless they are also members of the trust's Board of Directors.
- b. It is important to remember, however, that even where responsibility is delegated to a local level, it is the HMFA Academy Trust as the legal entity (not the Local Advisory Body) that is ultimately accountable, for example in terms of finance and performance, and as the employer of staff.
- c. In drawing up this Scheme of Delegation the Board wishes to explicitly focus on maintaining the individual character of the Academies with strong and effective Local Advisory Bodies working closely to support their Headteachers to manage the Academies.
- d. To achieve this, it also recognised that there is a need for an effective Board of Directors with strong committees to:
 - Provide support on strategy, business planning and direction
 - Support financial planning
 - Enable resources to be used more effectively
 - Seek efficiencies e.g. procurement
 - Provide "umbrella" services more efficiently
 - Ensure compliance with legal and statutory obligations

Framework

This framework enables all parties to fulfil their roles and responsibilities, and provides clarity on individual and collective responsibilities, and delegated responsibilities, as outlined below.

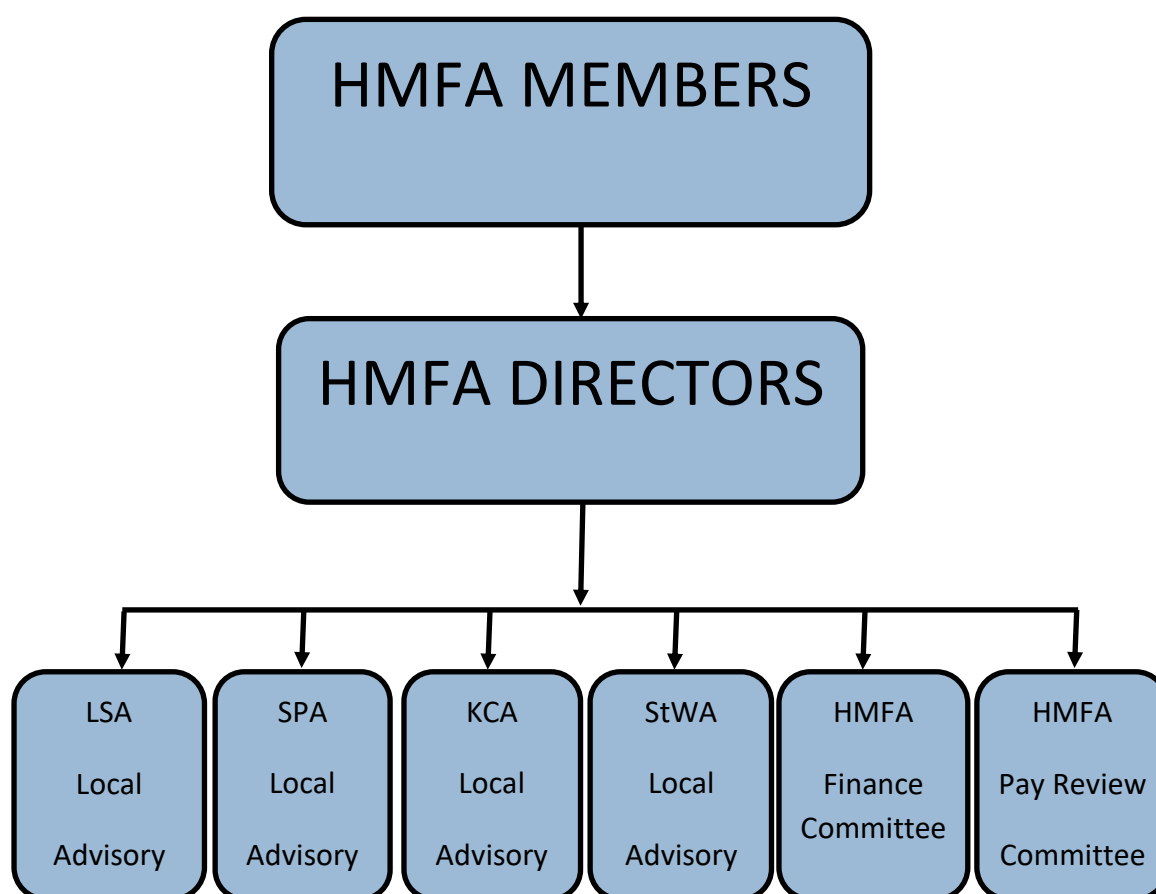

The Local Advisory Body will advise with an emphasis on:

- outward vision rather than internal preoccupation
- encouragement of equality and diversity
- strategic leadership over administrative detail
- decision making that is collective rather than individual
- the future, as opposed to the past or present

- pro-activity rather than reactivity.

Structure

The diagram below sets out the core structure for the Board and its Committees.

Additionally, it has been agreed that the following panels will be formed as and when required, on a skills/knowledge basis. All Board panels will be made up of Directors and all LAB panels will be made up of Advisers. This will facilitate separation of members in hearing appeals from those who originally determined a matter.

LGB Panels	Board Panels	Remit
Complaints		Consideration of complaints made under the MAT formal complaints procedure
	Discipline and Grievance	To carry out investigations into staff matters
Pupil Discipline and Exclusions		To carry out investigations into pupil matters and determine on discipline and exclusions
Admissions appeal		To hear appeals against decisions made by the Head on admissions in relation to the admissions policy.
	Headteacher appraisal	Appraise and seek to continuously improve the performance of the Headteachers.
Teaching & Support staff	Heads and Deputy appointments	Oversee recruitment having first sought authority to recruit from the MAT Board, and recommending appointments to the MAT Board.

The MAT Board Chair and Company Secretary will convene an appeals panel to consider all appeals regarding decisions of the LAB Panels and any Board decisions as and when required.
