

**Year 2**  
**Home Learning**

The theme for this week is '**Fantastic Mr Fox**' by Roald Dahl (click [here](#) for an online version of the text or [here](#) for a video of the story being read aloud).

Each day we have put a 'Word of the Day' on the grid below. See if you can:

- Find the definition.
- Use the word in a sentence.
- Practise writing this word in your neatest handwriting.
- Think of any other words which have a similar meaning.
- Draw a picture that represents the word.

Below is the grid for this week, structured into days and lessons. We have also included extra resources, further maths challenges and extra websites at the bottom. All work can be recorded in a way you choose and the challenges set are open to your own choice.

Day	Word	English	Phonics / SPaG	Maths	Science / Topic	Creative	Physical
Monday	Lurking	<p>The three farmers are all very similar but also have their differences. Can you draw a picture of each of the farmers and write some words to describe them?</p> <p><i>*Challenge: Can you write a sentence or some sentences for each of the farmers?</i></p>	<p>A suffix is a letter or group of letters that goes on the end of a word and changes the word's meaning.</p> <p><b>ful ness ly less</b></p> <p>Watch the video clip  <a href="https://www.bbc.co.uk/bitesize/articles/z6vc86f">https://www.bbc.co.uk/bitesize/articles/z6vc86f</a></p> <p>Complete the task in <b>SPaG resources</b> (below).</p>	<p>Here are some numbers: 1, 4, 8, 10, 16, 20</p> <p>Can you choose two of these numbers to create a subtraction number sentence and work out the answer?</p> <p>e.g. <math>10 - 1 = 9</math></p> <p>Remember that the greater number must go first in the subtraction number sentences.</p> <p><i>*Challenge: Can you choose 6 numbers of your own between 0 and 50 and do the same thing again?</i></p>	<p>Mr Fox uses his sense of smell to avoid getting caught. Can you find out how many different senses humans have and what they are used for?</p> <p><i>*Challenge – Can you draw a human body and label it with the senses?</i></p>	<p>Cut out each of the characters (see <b>Creative Resources</b> below) and stick onto a lolly stick (or some sticks from the garden/daily walk) and act out the story.</p> 	<p>Joe Wickes PE lesson.</p> <p>Google 'Joe Wickes P.E.' and it should take you to his YouTube video channel full of his daily P.E. lessons.</p> <p>Choose a day and have a go.</p>

The title of the book includes alliteration? Fantastic Fox. Can you think of any more examples of alliteration? Could you make a story title which includes alliteration and then write the story, e.g. Dangerous Ducks or Gruesome Goats?

*\*Challenge- Can you plan your story thinking about what would happen in the beginning middle and end?*

Bunce, Bean and Boggis have a shop to sell the birds that they farm.

**See Maths Resources – Tuesday Lesson (Below).**

On the sheet below there are some questions about the birds and their prices. Using your knowledge of counting in 2s, 5s and 10s, can you work out the answers to the questions?

*\*Challenge: See challenges on the sheet below.*

Can you look on a local map (google maps or an atlas/road map if available) to find local farms and forests near you?

Create your own fantastic Mr Fox mask. You can be as creative as you like. There are a few ideas below.

The mask outline is saved in the **Creative Resources** section below if you wish to print it out and use it.

Over the next 3 days you have two challenges to complete. The spotty dog challenge and the baby shark scissor challenge. How long can you do each of them for each day?

**Spotty dogs Challenge**

This is where you stand with one foot a step in front of the other and jump on the spot and swap your front leg to the back and back leg to the front.
